

Understanding Behavior Inc. (UBI) Behavior Interventionist

Part-time
Position

Understandingbehavior.com

Responsibilities:

- Implement individualized treatment programs designed by Board Certified Behavior Analysts (BCBAs) to help children increase skills
- Teach and help to promote language, behavioral, social, and daily living skills in a fun, play setting to increase motivation and positive performance for every individual
- Collect and accurately record data on clients progress
- Utilize an online system to enter, track, and view progress
- Provide support to parents, teachers, and caregivers to make the most of their efforts in making our programs universal across all areas of the child's environment
- Submit case notes of each session and hours worked every day.
- Maintain timely communication with clients, UBI staff, and supervising BCBAs

Qualifications:

- A minimum of 48 college credit hours required or a Bachelor's degree is preferred.
- Candidates must be energetic, animated, and outgoing, with a passion for helping children achieve their true potential
- Reliable transportation and valid driver's license
- Ability to work well independently and as a team
- Ability to interact with children, i.e. running and implementing physical intervention and strategies when necessary
- Comfortable working with children who display behavior problems
- Understanding of proper professional and communication boundaries in terms of families and supervisors
- Ability to defer to supervisors in program development, modification and report writing as appropriate
- ABA experience preferred, minimum of 1 year working with children is required
- First Aid/CPR/Crisis Management Training preferred; BLS (Basic Life Support) certification required
